Positions Held and Work Experience

FURNITURE DESIGN AUSTRALIA, Adelaide, South Australia
Workshop Assistant, Feb 2020 — Dec 2020
- Build and modify Furniture to a high standard while maintaining good work practices and speed resulting in commendation from the team as it was above the standard expected.
- Clean up and maintain cleanliness in the workshop for easier and faster workflow.
- Safely and successfully operate machinery to create furniture out of wood (Blackwood, Oak, Jarrah, Messmate) and metal products.
- Follow instruction and design patterns according to a customer's order, provided via technical drawings and paperwork.

THE FUNDRAISING PEOPLE, Auckland, New Zealand
Fundraiser, Nov 2019 — Dec 2019
- Approach citizens in public places and build rapport
- Improvise and develop a 'style' while sticking to a sales pitch
- Use an iPad in order to sign-up donors through an app, quite often helping the donors with their application process.
- Verify identity and intent via phone call.

CAPRAL ALUMINIUM, Angaston, South Australia
Machine Operator, May 2019 — Nov 2019
- Create and package metal products according to customer orders using techniques developed over time.
- Perform quality assurance checks on every product resulting in happy customers and further orders.
- Lock out tag out malfunctioning equipment to prevent injury or destruction of product..

COZWINE, Nuriootpa, South Australia
Casual Factory Worker, Oct 2018 — Feb 2020
- Insert dividers into cartons ready for packing.
- Label cartons and / or bottles ready for sale.
- Work autonomously while using intuition to make sure product is of the highest quality possible.
- Pack cartons with wine bottles and specialty items such as brochures.
- Unjam / restart machines if necessary.
- Clean the working area at any break in work to ensure a good working environment.
